The PROFESSIONAL and COMMUNITY EDUCATION CENTER at HOLY CROSS HOSPITAL

Conveniently located just minutes from downtown Silver Spring, the Professional and Community Education Center at Holy Cross Hospital is a 13,000-square-foot conference and meeting room facility, offering the latest in conferencing and business meeting accommodations. Anchoring the west side of the hospital, the education center consists of four large and three small classrooms, a 250-seat divisible auditorium, and a concourse foyer ideal for social gatherings and conference vendor displays. A community art gallery is also located in the concourse of the Professional and Community Education Center, offering local artists an opportunity to showcase their works in a pleasing environment. For reservations and availability, call 301.754.7920.

Accommodations

The education center can accommodate both small and large size groups from 10 to 250 participants. Rooms can be arranged to offer a formal classroom setting or a more relaxed social environment, depending on your specific needs.

Teaching and Learning Environment

The center is equipped with state-of-the-art audiovisual and room environment systems, including:

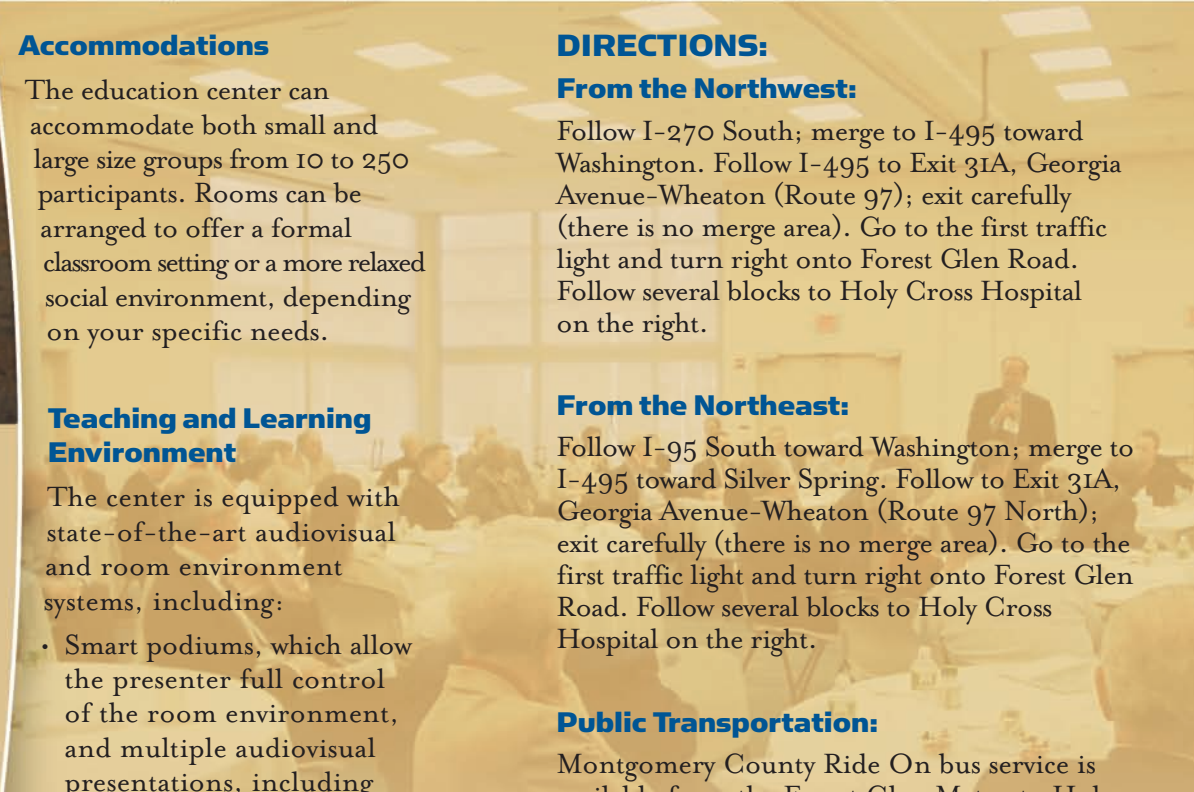

- Smart podiums, which allow the presenter full control of the room environment, and multiple audiovisual presentations, including Microsoft PowerPoint and CD, DVD and VHS-format video.
- Assisted listening devices for the hearing-impaired
- Remote controlled lighting and projection screen operations
- Audio and video teleconferencing
- Front and rear screen projection
- Wireless audio
- Internet and cable TV access
