

Lymphedema Support Group

Join our quarterly support group to connect with others diagnosed with lymphedema. Family members, friends and caregivers are welcome and encouraged to attend.

This group is meant to help you with the daily challenges of lymphedema through knowledge, action, resources and support within our community. As a group participant, you can expect to:

- Hear about current interventions, care options and medical advances to treat lymphedema
- Discover additional resources
- Learn from the experiences of others
- Share hope and encouragement with our lymphedema community

WHEN: Saturdays, April 25, July 25 and October 24
10 a.m. to Noon

WHERE: Holy Cross Hospital
Holy Cross Health Conference Center
Education Room 1
1500 Forest Glen Road
