An Invitation to Join Friends of Holy Cross Health

Originally formed in 1963 as the Auxiliary of Holy Cross Hospital, Friends of Holy Cross Health is an all-volunteer organization dedicated to raising funds to support Holy Cross Health's commitment to provide high-quality, efficient and safe health care services for all, including our most vulnerable and underserved populations.

Volunteers raise money through proceeds from the gift shops at Holy Cross Hospital and Holy Cross Germantown Hospital, bake sales and other activities. In its more than 50 years of service, Friends of Holy Cross Health has donated $13 million and countless hours of community service.

We are always looking for new members who want to help us make a difference at an institution that means so much to so many. There are no restrictions – students, actively employed individuals, stay at home spouses and retirees are all encouraged to join. Give as much as you have time for because whatever time you invest helps improve the many services we provide to our patients and families.
