## CARE TRANSFORMATION ARRANGEMENT

This Care Transformation Arrangement (“Arrangement”) is between Holy Cross Health CTO, a care transformation organization (the “CTO”), and \_\_\_\_\_, (the “Practice”) (each a “Party,” and collectively the “Parties”).

The CTO has been selected by the Centers for Medicare and Medicaid Services (“CMS”), Center for Medicare and Medicaid Innovation (“CMMI”), to serve as a care transformation organization in the Maryland Primary Care Program (“MDPCP”). The Practice is a primary care practice that provides health care services to Medicare beneficiaries, among others, in the State of Maryland.

This Arrangement sets forth the terms and conditions under which the CTO will provide to the Practice certain care transformation services and resources consistent with MDPCP requirements.

1. **Participation Agreements.** Prior to the Effective Date of this Arrangement, the CTO must sign an MDPCP Participation Agreement with CMMI (the “CTO Participation Agreement”). Prior to the Effective Date of this Arrangement, the Practice must sign an MDPCP Participation Agreement with CMMI (the “Practice Participation Agreement”). If either Party does not sign a Participation Agreement with CMMI prior to the Effective Date of this Arrangement, then this Arrangement shall be deemed null ab initio.
2. **Effective Date.** The Effective Date of this Arrangement is January 1, 2023. A Party’s performance obligations under this Arrangement shall not begin prior to the Effective Date.
3. **Term of Arrangement.** This Arrangement is effective for a minimum of one full Performance Year, which consists of a 12-month period beginning on January 1 of each year, and will renew automatically on January 1 of each year, until terminated by either party in accordance with Section 12 of this Arrangement, or upon the execution of a new CTO Arrangement. This Arrangement is subject to early termination by either Party only if: (1) CMS terminates either the CTO Participation Agreement or the Practice Participation Agreement, or (2) if CMS authorizes, in writing, such early termination of this Arrangement.
4. **Offer and Selection of CTO Services.** The Practice is responsible for meeting the Care Transformation Requirements as listed in Appendix A. The CTO will support the Practice in meeting those requirements including any support specified in the either the CTO or Practice Participation Agreements. The CTO has offered to provide any and all of the CTO Services to the Practice, as listed in the package selected in Appendix B. The CTO offers these same CTO Services to all participating practices within the same service option level and Track.
5. **CTO Payment Split.** CMS will calculate the Practice’s Care Management Fees (“CMF”), Health Equity Advancement and Resource Transformation (“HEART”) payment, and Population-Based Payment (“PBP”), as applicable, according to the CTO Participation Agreement, the Practice Participation Agreement, and the Payment Methodologies described therein. In accordance with the Practice’s selection that was submitted to CMS, the payment split will be as follows:
  - Option 1: CTO provides Lead Care Manager**
    - For Track 1 and Track 2 practices, the CTO will receive **50%** of the practice’s CMF payment amount calculated by CMS (including HEART payment), and the remaining **50%** of such CMF payment amount will be paid to the partner Practice.
    - For Track 3 practices, the CTO will receive **40%** of the PBP payment and the HEART payment, and the remaining **60%** of the PBP and the HEART payment will be paid to the partner Practice.
  - Option 2: Practice provides Lead Care Manager**
    - For Track 1 and Track 2 practices, the CTO will receive **30%** of the practice’s CMF payment amount calculated by CMS (including HEART payment) and the remaining **70%** of such CMF payment amount will be paid to the partner Practice.
    - For Track 3 practices, the CTO will receive **24%** of the PBP and HEART payment, and the remaining **76%** of the PBP and HEART payment will be paid to the partner Practice.
6. **Lead Care Manager.** For practices choosing Option 1, the CTO will provide the Practice with one or more individuals who are fully dedicated to care management functions of the Practice (the “Lead Care Manager”), and additional services selected in accordance with Section 4. For practices choosing Option 2, the practice will have its own care manager(s) to work in conjunction with the CTO and the CTO’s offerings in accordance with Section 4. Practice will identify care

7. Data Sharing and Privacy. The Practice authorizes the CTO to have access to all clinical data available in the electronic medical records or shared through the State-Designated Health Information Exchange (“HIE”), including personal health information, of MDPCP Beneficiaries attributed to the Practice. The Practice authorizes the CTO to have access via CRISP to quality and utilization reports available to the Practice. The CTO will include a Business Associate Agreement (“BAA”) for the Practice to approve. The BAA will govern their data sharing, use, and confidentiality, a copy of which is in Appendix C. Each Party will comply with HIE policies and regulations, including patient education requirements, and will execute any separate agreement that may be required by CRISP.
8. Notification of Changes in Medicare Enrollment. The Practice will notify the CTO of any changes to the Practice’s Medicare enrollment information within thirty (30) days after such changes occur.

10. Practice of Medicine or Professional Services Not Limited by this Arrangement. The Arrangement does not limit or restrict in any way the ability of the Practice and its clinician(s) to make medical decisions that they consider in their professional judgment to be in the best interest of a MDPCP Beneficiary.
11. Compliance with All Applicable Laws. This Arrangement does not alter or amend the Parties’ being bound to comply with all relevant federal and State laws, including, but not limited to, health care fraud and abuse laws, HIPAA, and the Maryland Medical Practice Act. The CTO will continue to be bound by the terms of the CTO Participation Agreement, and the Practice will continue to be bound by the terms of the Practice Participation Agreement.
12. Termination. Either Party may terminate this Arrangement annually or earlier by providing written notice of termination to the other Party, CMS and the Program Management Office. If the Practice or CTO decides to terminate this Arrangement for any reason, it must provide written notice in accordance with the notification and termination requirements stated in the applicable MDPCP Participation Agreements. This Arrangement automatically terminates on the Effective Date of the termination of either the CTO Participation Agreement or the Practice Participation Agreement.
13. Copies and Retention of Arrangement. The Practice will provide a copy of this Arrangement to the CTO and the Maryland Department of Health, Program Management Office, within thirty (30) days of execution. The CTO will retain copies of this Arrangement for a period of ten (10) years following expiration or termination of the CTO Participation Agreement. The CTO will, upon request, provide copies of this Arrangement to the federal government, including, but not limited to, CMS, the HHS Office of the Inspector General, or the Comptroller General.
14. Amendments. The Parties may amend this Arrangement including, but not limited to, the CTO Services offered and provided, at any time upon mutual written consent. The CTO must continue to offer the same CTO Services to all participating practices within the same service option level and Track, as specified in Section 4 of this Arrangement.
